

BLOCK LOTTO

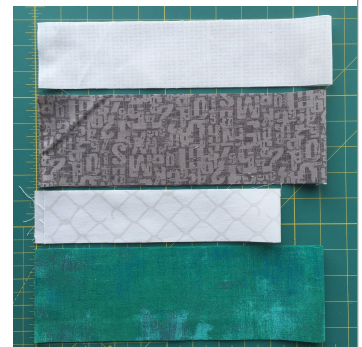

Square Block

STEP ONE:

-You should have a 3 1/2 inch square that was handed out at the meeting. DO NOT cut this square any smaller.

-Choose several fabrics that coordinate with your starter square of fabric that you received at the meeting. You will need at least two.

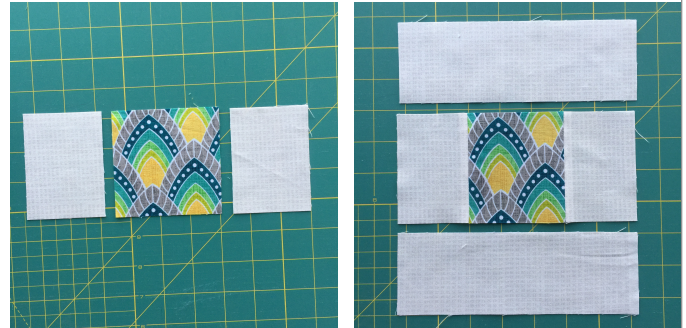

STEP TWO:

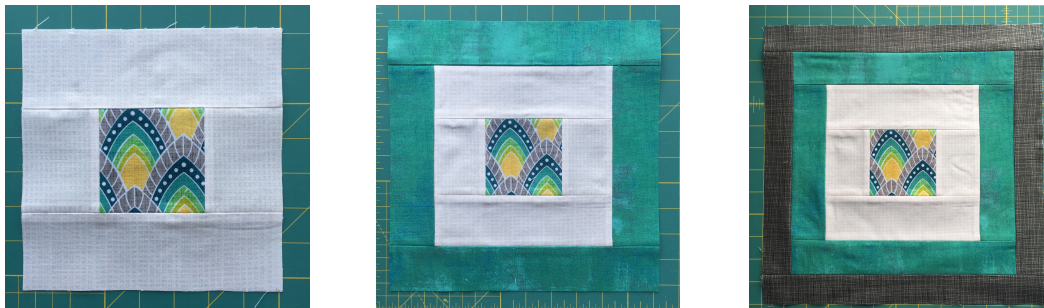

-Cut a strip of coordinating fabric, any width you'd like but no less than 1 inch wide.

-You can measure and cut it into two 3 1/2 inch long rectangles to sew to each side OR you can simply sew the strip to one side, cut off the excess and square it up, continuing until you have all 4 sides sewn on.

-Remember to press your seams open.

**STEP THREE:**

Continue to add layers to your square until it is 12 1/2 inches.
