To make your half square triangles pair the one light and one dark 8" squares and your light and dark 5" squares of the opposite colors.

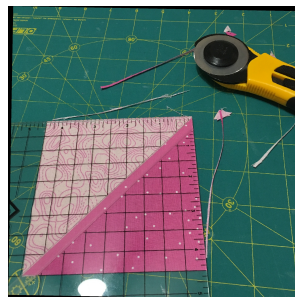

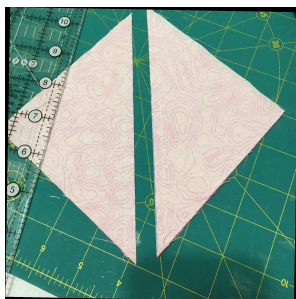

Draw a line from corner to corner on the wrong side of the lighter fabric.

Sew 1/4" away from this line on both sides.

Then cut on the line and press open. You will need to trim the 5" block to 4.5" and the 8" to 7".

Lay out the block as shown below. Sew together the top three pieces and the bottom three pieces then add the 2"x 12.5" piece in the center. Make sure the half square triangles are positioned with the seam running from the upper left to the lower right.
