- **Optional:**
 - 1 18" x 22" piece of batting or fusible fleece if you're quilting the outside piece**
 - 4" x 6" fabric scrap and wool roving or similar stuffing for pin cushion
 - 3" x 4" wool felt for needle landing
- Sewing Machine
- Cotton Thread
- Rotary Cutter with sharp blade
- Acrylic Ruler
- Rotary Cutting Mat

* I purchased zippers from [ZIPIT](#) on ETSY. I like to use the large zipper pulls (#4.5 purse zippers), so be mindful when purchasing. Longer zippers than required are easier to work with, purchase a few inches longer if possible.

** If you would like to piece &/or quilt the outside of your bag, this needs to be done

prior to class. If quilting your outside you'll use 2 layers - Outside fabric/pieced portion AND batting... No backing needed for this area unless desired (it adds bulk)... this will not show because your pockets become the bag inside lining.
